

REMARKS

The application contains claims 1-28, of which claims 3-5, 7-11, 13, 14, 17-21, 24, 25, 27 and 28 are currently amended.

This application is submitted as a US National Phase Application of PCT Application
5 No. PCT/IL2004/000289, filed on March 29, 2004.

The present amendment is based on the claims examined in the IPER established for the PCT application by the EPO acting as IPEA and is made to place the claims in proper U.S. form and reduce filing costs by removing multiple dependencies. All the claims included with the IPER were indicated as meeting the criteria of PCT Articles 33(1) - 33(4).

10 In view of the favorable IPER, applicants submit that the application is in order for allowance. An allowance is respectfully awaited.

Respectfully submitted,
Benny PESACH et al.
